

### **Posters – abstracts submissions**

*The best three posters will receive awards. The authors will be given the opportunity to present a 4-minute talk during the main congress.*

Submit your contribution as a **single document in Microsoft Word format**. The abstract must be written in **English** language for international authors and in both **Slovenian and English** for Slovenian authors. The submitted contribution should be formatted in Times New Roman font, size 12 with 1.5 line spacing.

**The first page** should include:

- the title;
- poster type: case presentation, own research findings, a topic review in a form of a poster/infographics, or a critical appraisal of a research paper;
- authors' names with their institutions;
- the corresponding author should be marked with the asterisk, his/her e-mail address must be provided;
- 3 to 8 key words in English language, which clearly define the content of the abstract; give priority to technical terms (descriptors) from medical thesaurus Mesh (medical subject headings), which is available at the following website: <http://www.ncbi.nlm.nih.gov/mesh/>;
- a short summary in 200 characters maximum (spaces included) for promotional purposes.

**The second page** should include:

- the abstract of maximum 300 words and maximum 2 graphical elements (Table, Figure, Graph);
- up to maximum **2 abbreviations** are allowed in the abstract, which need to be explained at the first instance of appearance;
- use Vancouver style of referencing.

**Poster submission deadline is April 10<sup>th</sup>, 2022, at noon (12 p.m.) Central European Time. Send the word file to Silva Ostojic Kapš at: [silva.ostojic-kaps@sb-nm.si](mailto:silva.ostojic-kaps@sb-nm.si)**

Authors of the accepted posters will receive instructions regarding the delivery of the poster (e-form) by June 1<sup>st</sup>, 2022.
